PROFESSIONAL WEDDING VIDEOGRAPHY

❖ PACKAGES & PRICING ❖

Actual Video Screenshots

When produced from start to finish by Valley Video Services, your wedding video becomes a unique keepsake that you can share with your loved ones. Every wedding is shot with at least two cameras to capture both the big picture and the little details that make your day special. No wedding is too small or large for us to handle and we pride ourselves with being professional and unobtrusive.

Valley Video Services has shot and produced weddings throughout the Pacific Northwest. We strive to make every video as unique as the bride and groom.

Our goal is to create a moving and entertaining document of your wedding day that will be cherished for years to come.

Capture the day.

WEDDING VIDEOGRAPHY PACKAGES
